

Global Internship at Promax Legal

A brief about the company:

Promax Legal is a world leading patent search and analysis the firm, offering an innovative and strategic suite of IP support services to law firms, corporations, research institutions and IP professionals around the world. We provide exhaustive patent prosecution and litigation searches, infringement analysis/Licensing support, Patent Landscape Analysis, Competitor Analysis, Patent Monitoring, Patent Mining, and R&D search & analysis support to our clients in almost all major technical domains. The research team at Promax Legal is comprised of lawyers, engineers, and PhDs, many of whom have advanced degrees in a variety of scientific specialties. We blend the best techniques from human intelligence and top of line IP software solutions to ensure high quality, secure, process-oriented and seasoned legal solutions, thus maintaining the highest standard of client service and value.

We are writing to express our interest in participating in the recruitment session for the final year B.Tech/M. Tech students of 2019 and pass out students of 2018

The role would be that of an Intern followed by Research Analyst position on successful completion of the internship. Currently, we have five openings for this role but in case we find exceptional talent and participation, we could go up in number.

Eligibility Criteria: B.tech/M.tech ECE/EEE with a minimum of 7 CGPA without any Backlogs.

Job Profile: Junior Research Analyst (Intern).

Job Location: Mohali (Tri-City Chandigarh)

Shift Timings: (9:30 AM - 6:30 PM), 5 Days Working

Internship Duration: 6 months (Based on candidate performance after 6 months)

Remuneration :

- 10-15k in hand (During Internship)
- 25k in hand (After internship)

Tentative Date of Joining: Immediate

The selection process includes the following rounds:

- 1) Initial HR round of discussion
- 2) Technical round
- 3) Face to face discussion

Looking forward to your response.
